

張佩芬 副教授 Pei-Fen Chang

Pei-Fen Chang received her Ph.D. from Virginia Tech in the USA. She was the Associate Professor at National Central University in Taiwan. She was also the Deputy Chair of the CPC for the Institute of Engineering Education Taiwan (IEET), which became a full signatory of the Washington Accord in 2007. From 2007 to 2010, she received the Distinguished Young Scholarship from the National Science Council (NSC) to pursue her research on engineering ethics.
